**LOCUST WALK SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE SIX MONTH PERIOD ENDED DECEMBER 31, 2015**

**1. ORGANIZATION AND NATURE OF BUSINESS**

Locust Walk Securities, LLC (the "Company") was organized in the state of Delaware on December 14, 2010 as a limited liability company. The Company is a broker-dealer registered with the Securities and Exchange Commission ("SEC"), and is a member of the Financial Industry Regulatory Authority, Inc. ("FINRA"). The Company provides advisory services including merger and acquisition, restructuring, valuation, and capital raising services for clients.

The Company changed its fiscal year date from June 30 to December 31 pursuant to Rule 17a-5(d) under the Securities Exchange Act of 1934. As such, the statements of income, changes in members' equity and cash flow is presented for the six month period ended December 31, 2015.

**2. SIGNIFICANT ACCOUNTING POLICIES**

**Revenue Recognition:**

The Company typically enters into contracts with clients calling for success fees to be paid out once the merger, acquisition, sale, restructuring, or financing (the "transaction") is successfully completed. This success fee is typically based on a percentage of the total consideration of the transaction, although in certain cases it may be a flat fee. Some contracts provide that the success fee will be paid in securities. The Company recognizes success fees when the transaction is successfully completed and the fee is fixed and collectability is probable. Success fees received in securities in lieu of cash are recorded at the fair value of such securities received on the date all of the revenue criteria is met.

**Income Taxes:**

Taxable income (or loss) is passed through to the members of the Company, and not taxed at the Company level. Thus there is no provision or liability for income taxes in these financial statements.

The Company provides for liability on tax positions where it is considered more-likely-than-not that the position would be denied upon examination. Management performed an evaluation of tax positions taken on filed returns for open years and positions expected to be taken in filings for the current year. Management is of the opinion that such returns do not contain any material positions that are unlikely to be sustained, and therefore no accrual for uncertain tax positions has been made. Returns for years beginning with those filed for the fiscal year 2012, are open to examination.

**Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those differences could be significant. Significant estimates include valuing securities held at each reporting period.

**LOCUST WALK SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**  
**FOR THE SIX MONTH PERIOD ENDED DECEMBER 31, 2015**

**2. SIGNIFICANT ACCOUNTING POLICIES – continued**

**Statement of Cash Flows:**

For purposes of the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months that are not held for sale in the ordinary course of business.

**Accounts receivable:**

Accounts receivable is stated at net realizable value. Management routinely performs evaluations of the credit-worthiness of its customers and provides reserves where collection is considered doubtful. As of December 31, 2015 no reserve has been provided for as management believes all accounts receivable are collectible.

**3. NET CAPITAL**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1). At December 31, 2015, the Company had net capital of \$86,944 which was \$65,886 in excess of its required net capital of \$21,058. The Company’s ratio of aggregate indebtedness to net capital as of December 31, 2015 was 3.63 to 1.

**4. SECURITIES OWNED AND FAIR VALUE MEASUREMENTS:**

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

**LOCUST WALK SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE SIX MONTH PERIOD ENDED DECEMBER 31, 2015**

**4. SECURITIES OWNED AND FAIR VALUE MEASUREMENTS - continued**

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumption about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

A qualifying asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement. The Company's qualifying assets or liabilities are recorded at fair value using Level 3 inputs.

Management is carrying warrants which are classified as level 3 but have been determined by management to have no value. The Company's owned securities that are reported at fair value in the accompany statement of financial position as of December 31, 2015 is as follows:

	Level 1	Level 2	Level 3	Total
Warrants on common stock	\$ -	\$ -	\$ -	\$

There were no transfers between level 1 and level 2 during the year.

The following is a reconciliation of the beginning and ending balances for assets measured at fair value on a recurring basis using significant unobservable inputs (level 3) during the year ended December 31, 2015:

	Beginning Balance	Proceeds From the Sale of Assets	Unrealized and Realized Loss Related to Assets Held at Year End	Unrealized and Realized Loss Related to Assets no Longer Held	Ending Balance
<b>ASSETS</b>					
Warrants on restricted stock	\$ 0	\$ 0	\$ 0	\$ 0	\$ 0
Total	\$ 0	\$ 0	\$ 0	\$ 0	\$ 0

The warrants held as of December 31, 2015 were valued using the Black-Scholes option-pricing model. The value used for the underlying common stock, which is restricted, was based on the quoted price of freely tradable common stock of the issuer trading in its active market less a 50% transaction discount due to the restriction. Management assumed no volatility due in the Black-Scholes option-pricing model due to the restricted nature of the underlying common stock. If a significant higher volatility amount had been used or a different transaction discount, it would not have a significant impact on the value of the warrants.

**LOCUST WALK SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**  
**FOR THE SIX MONTH PERIOD ENDED DECEMBER 31, 2015**

**5. CONCENTRATIONS OF CREDIT RISK**

The Company places its cash with a bank. The Company's account at this institution is insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 and the Company's cash balance may at times exceed the insured limit.

**6. ACCOUNTS RECEIVABLE CONCENTRATION**

Accounts receivable consists of amounts due from one client for success fees. The December 31, 2015, balance includes amount due from the client in the amount of \$80,000.

**7. RELATED PARTIES**

The Company has an Expense Sharing Agreement (the "Agreement") with Locust Walk Partners, a related party through common ownership, (the "Affiliate"), for rent and office expenses that are shared and paid by the Affiliate. The Company reimburses the Affiliate for these expenses. For the six month period ended December 31, 2015, the Company reimbursed the Affiliate expenses shared in the amount of \$16,241. This amount includes reimbursement for a contracted consultant who provides certain accounting and administrative services to the Company and is a relative of one of the managing partners of the Company.

The Company paid its two members a total of \$1,134,826 in guaranteed payments during the six month period ended December 31, 2015. A portion of the payments related to amounts accrued as of the previous reporting period of June 30, 2015 and the remaining is reported on the statement of income as guaranteed payments to members.

**8. COMMITMENTS AND CONTINGENCIES**

**LITIGATION**

The Company may be involved in legal proceedings in the ordinary course of business. Such matters are subject to many uncertainties, and outcomes are not predictable with assurance. Currently, the Company is not involved in any legal proceedings which are not in the ordinary course of business.

**COMMITMENTS**

The Company is under contract to pay Karen Gendron FINOP, LLC a monthly fee of \$800 for FINOP Services. The agreement can be terminated at any time by either party upon thirty (30) days written notice.

**LOCUST WALK SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**  
**FOR THE SIX MONTH PERIOD ENDED JUNE 30, 2015**

**9. MEMBERS EQUITY**

The Company has two members with each having 50% ownership of the Company and voting rights. Net income and losses are allocated pro-rata to the members based on ownership interest.

**10. SUBSEQUENT EVENTS**
